Issued: Mar. 14, 2006
For: External Fixation Device for Cranialmaxillofacial Distraction

**REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 CFR 1.323**

This patent issued in the inventor names of Michael T. Greene and Thomas S. "Johnson", which is a misspelling of the second-listed inventor. The correct spelling of the co-inventor's name is Thomas S. Johnston.

This was an error of a clerical or typographical nature and was the result of no deceptive intent. Although correctly spelled on all other documents in the application prosecution history, including the PTO Filing Receipt and the Issue Notification, the signed Declaration/Oath contained the incorrect spelling and the error was not caught by Applicants.

The patent owners request that this error be corrected through a Certificate of Correction, such that the correct inventorship reflect co-inventors Michael T. Greene and Thomas S. Johnston.

The undersigned certifies that this correspondence is being deposited with the U.S. Postal Service as first class mail in an envelope addressed to Attn: Certificate of Correction Branch, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on the date below.
